Dear Colleagues,

Membership in the Spanish National Honor Society Gary Soto Chapter at Pattonville High School is competitive. Our students must have a cumulative GPA of at least 3.0, complete an application essay, and one teacher/activity sponsor recommendation. Teachers' recommendations may come from present PHS teachers, guidance counselors, coaches, or administrators. The above student has chosen you to complete one of his/her recommendation forms.

While the selection process is competitive, the process is not exclusive. There is no limit on the number of students tapped to join the Spanish National Honor Society Gary Soto Chapter. The purpose of this selection is to identify those students who have demonstrated strong scholarship, leadership, character and service.

When filling this application, please circle the number that corresponds to your perception of how this applicant rates in each of the following categories listed below. Your overall rating of this applicant will be the average of your responses. If you have no basis for rating this student in a certain area just write "NA," this will not affect your average rating for this student.

Please return your recommendation to Ms. Green's mailbox on or before February 2nd, 2024.
